

DIAMOND EDGE FIGURE SKATING CLUB 2010 SHOW REGISTRATION

Skater Name: _____ Age: _____

Parents Name: _____

We will be ordering costumes Sunday Nov. 22nd and Sunday Nov. 29th. Please measure your child and select the appropriate size from the chart below. This year each skater will be able to keep a costume. You will be informed of which costume you will keep when costumes are distributed in early February.

- When measuring and sizing please remember a few key factors:
1. If you are still growing, keep this in mind. It will be almost 4 months until you wear this costume.
 2. It is much easier to alter a costume that is too big, than fix a costume that is too small.
 3. You can not return a costume for a different size.
 4. If in doubt of size, use girth measurement as your guide

If you already have flesh colored tights you do not need to order tights.

To measure girth, place tape measure in center of shoulder, down front, under crotch and back to same shoulder. Hold tape loosely. If in doubt of size, use girth measurement as your guide.
